

SATAN'S ARMY PREPARES TO FIGHT

There is a war between Jesus and the devil. As four trumpets sound, John sees the Christian church persecuted and then corrupted by greed and the law-less-ness of church leaders in the Dark Ages times.

A fifth trumpet warns against atheism and a theory of evolution, which claim Creator God does not exist. Many people still believe in Jesus, so the devil is losing again. What can he do?

The sixth trumpet sounds. In Revelation 9, the devil tries to corrupt the church again. He hopes to destroy the growth of true Christianity around the world today. God gives His people a powerful message to fight Satan in Revelation 10. Then God explains why The Bible is the book for modern times in chapter 11. Finally, the seventh angel will blow the last trumpet announcing that God wins the war.
