

## GOD IS STILL CREATOR

*As four trumpets sound, John sees a Christian church persecuted and corrupted. A fifth trumpet warns against evolution, which claims God need not exist. Then the devil corrupts the church again.*

*But no matter how strongly the storms of strife batter the church – Revelation 10 tells us; “God is still in control!” Seven thunders will sound just before the “mystery of God will be finished” and a final judgment described in Revelation 11:15-18.*

*Yom Kippur was the Day of Judgment at the end of the Jewish Year. The evening service featured Psalms 29 “The Seven Thunders of God”. ### WHAT IS THE SCROLL IN THE ANGELS HAND?

*An angel gave the Old Testament Prophet Ezekiel a scroll that is sweet to eat but bitter in his stomach. It spoke of how God would fight back against the corruption in ancient Israel. The prophet Daniel speaks of his scroll, which won't be unrolled until the time of the sixth trumpet of Revelation 10.*

Daniel 12:4,9    The angel told Daniel that the prophecy he wrote would be \_\_\_\_\_  
and \_\_\_\_\_ until the time of the \_\_\_\_\_
